

SUMMER READING 2020

For every 30 minutes you read, cross off a circle below.

Once all of the circles have been filled in, that's 10 hours of reading!

Go to <https://www.mclib.org/kids/summer-reading-program-2020/>

or send an email to srp@mclib.org

or call 219-873-3045 by **August 8, 2020** to record your hours.

You will be entered into prize drawings for every 10 hours read!

Include your name, phone number, age (18 and under), hours read,
and which prize you would like to try to win!

Read 10 more hours for another entry into the drawings.
