

MCPL Summer Reading Program

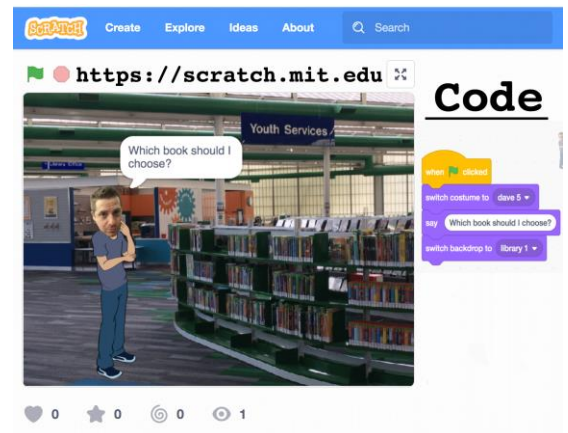

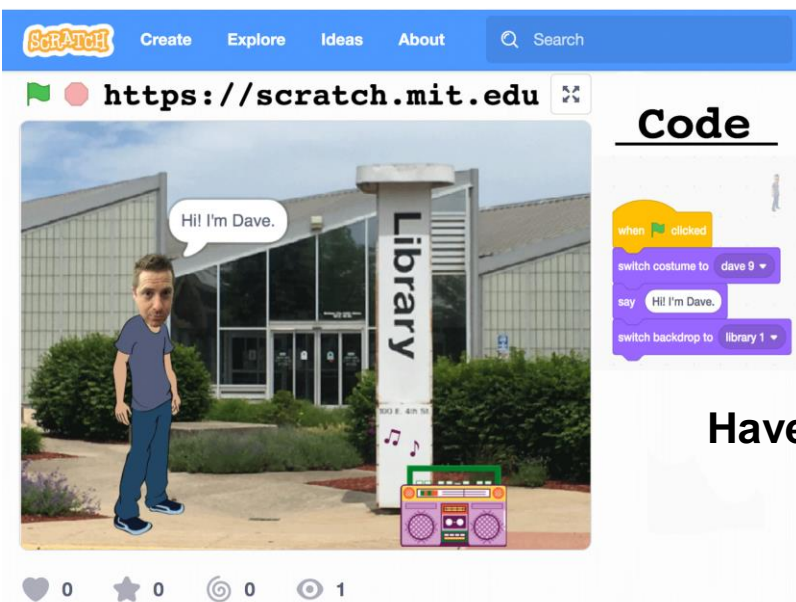

Week One: June 15 – 20

Imagine Your Story

Who am I? What do I want to be?

STEAM / Maker Activity: Creative Coding with Scratch!

Create and code an animated sketch describing who you are and what you like to do!

Have fun with simple photo editing!

View the example project at <https://scratch.mit.edu/projects/403804278/>.
Click "See Inside" to see the code and how it works!

Watch a short video tutorial on how to edit your photos using the Scratch photo editor and a free web-based app called Remove Background: <https://youtu.be/0sGsHyvDuS0>

If you are new to coding with Scratch, visit <https://scratch.mit.edu/projects/editor/?tutorial=all> for a variety of fun tutorials!

If you have any questions about this Scratch project or need help troubleshooting, visit <https://flipgrid.com/22318698> to record and submit a short video with your questions. You will receive a video response from a librarian! We are here to help with this fun project!
