"The Flowers"
Robert Louis Stevenson

All the names
 I know from nurse:
 Gardener's garters,
 shepherd's purse,
 Bachelor's buttons,
 lady's smock,
 and the Lady hollyhock.

Fairy places, fairy things,
 Fairy woods where the
 wild bee wings,
 Tiny trees for tiny dames,
 These must all be fairy names

Tiny woods below whose boughs
 Shady fairies weave a house;
 Tiny tree -tops, rose or thyme,
 Where the braver fairies climb!

Fair are grown-up people's trees,
 But the fairest woods are these;
 Where if I were not so tall,
 I should live for good and all.
