

Week 2, June 22 - June 27
Real or Fantasy Craft for Ages 6-11 years
DREAMCATCHER

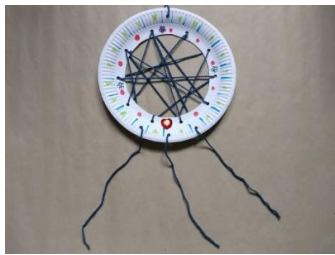

**Stop by Youth Services to get the supplies you will need, while they last:
Paper Plate ~ Yarn ~ Beads ~ Feathers**

Cut out the center of the paper plate. Next, use the hole punch to add one hole to the 'top' of the outer rim of the paper plate and three holes to the 'bottom' of the outer rim. Add numerous holes to the inner rim of the plate.

(We have already done this for you!)

Using your own crayons/markers/paints, decorate the plate in your favorite colors to personalize it and make it extra powerful! You may want to use stickers, too!

**Cut three lengths of yarn about three feet each.
Tie each length to three different holes on the inner rim (one length per hole).
Weave each length in and out through the inner holes.
Finish by threading each length through
one of the three holes on the 'bottom' outer rim.**

**Add a bead and a feather to the end of each strand of yarn to finish.
Tie a small piece of yarn to the 'top' of the plate for a hanger.**
