

Imagine Your Story

Week 4, July 6 - July 10
Ages 12 - 18 years
Science Fiction

If you are a fan of “Wibbly Wobbly, Timey Wimey stuff,”
stop in to pick up a kit to make your very own

“Sonic Screwdriver”

You will need:

One penlight

Tape

Glass Bead

Glue Dot

Attach glass bead to top of penlight.

You can use tape or a glue dot
(peel back paper, put dot in place,
remove plastic backing)

Decorate the light to personalize your
Sonic Screwdriver*

Call The Doctor to start traveling the universe.

***The Michigan City Public Library does not guarantee
you be able to travel the Universe.**
