

Week 4, July 6 - 10

Is it in the Future or
is it Science Fiction?

Fun activity for ages 6 and up.

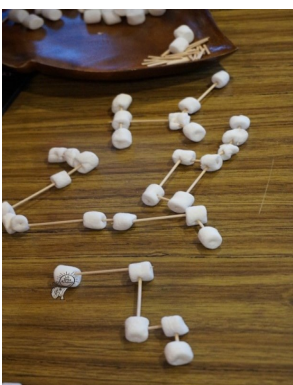

Toothpick Constellation Craft

All you need are marshmallows and toothpicks!

Be careful*Toothpicks have a pointy end.

The marshmallows are the “stars” and the toothpicks
are the imaginary lines that connect the stars
to form each constellation!

Click on the underlined link above for more information.

Also, stop in the library for books about stars.
You'll find them under the number 523.8 in
Youth Services and the adult department!

Craft Materials available in Youth Services,
while supplies last.
