

Week 5, July 13 - 17

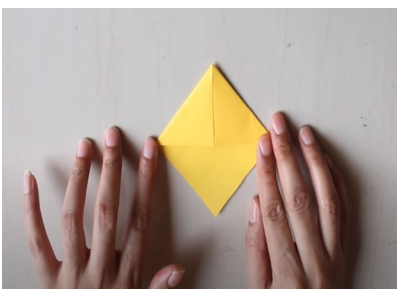

Did you hear that?

I'm Scared!!

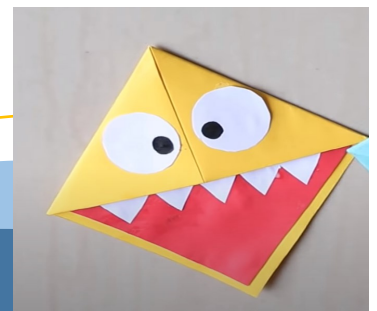

Monster Bookmarks

1. Fold the paper in half vertically.
2. Cut the paper in half down the middle (along the “fold” line).
3. Fold the top left corner  down into the bottom middle of the page and cut along that edge.
4. Turn your folded triangle upside down and fold both the corners toward the bottom tip at right angles forming a diamond.
5. Unfold your square. Take the top layer of the bottom point and fold it upward to the center.
6. Fold and tuck the two top corners of your triangle down and then into the pocket you created with the last fold.
7. To decorate, you can make your own eyes, teeth, tongue etc., or use the materials provided.
