# Rain or Shine Personalized Umbrella

## Step 1: Supplies

“Blank” umbrella, coloring page or outline picture, pencil, cardboard, Sharpies or permanent markers

## Step 2: Design

Place your coloring page image behind a section of the umbrella. With a pencil, draw your image on the umbrella. Holding a piece of cardboard behind the coloring page helps support the fabric.

## Step 3: Tracing

Trace all pencil images with permanent marker. Holding the cardboard behind makes it easier to support the surface.

## Step 4: “Painting”

Fill in the design with various coloring Sharpies or permanent markers. Remember, holding a piece of cardboard behind the panel helps support the fabric.

Ta-Da! You now have an umbrella that is uniquely you!

You can use it to keep you dry in the rain, or for some shade in the sun!

**Umbrellas available in Youth Services, while they last.**
