

What do you aspire to be?

Week 6, July 20 - 24

Beautiful Butterflies

You will need:
2 coffee filters
Water
Washable markers
* 1 chenille stick

1. Place one coffee filter inside the other so they fit together well.
2. Turn them both over and flatten them out.
3. Decorate the filters with washable markers.
4. Drip water all over the coffee filters. Being careful not to soak the filters.
5. Once they are completely dry, pull them apart and begin to fold them back and forth “accordion style” in 1/2” folds.
6. Put the two folded strips on top of each other and twist a chenille stick around the center making sure the ends point up in a “V” at the top.
7. Fold the tops of your chenille stick down to create antennae.
8. Pull apart the folds of your coffee filter carefully to open them up and shape your butterfly.
