I realize that COVID-19 is a potentially serious, even deadly disease, and that the CDC considers it to be highly contagious and spread mainly from person to person through respiratory droplets that are expelled when an infected person sneezes, coughs or talks and that some people show no symptoms. To lessen the risk of contracting COVID-19, I understand that, while optional, passengers are recommended to wear a face mask while on the bus. Further, understanding the above, I as a passenger release and fully discharge the La Porte County (IN) Genealogical Society, the Michigan City Public Library, Riteway Bus Service, Inc, Riteway Bus, LLC, Riteway Transport, Inc. and Riteway Transportation Service, Inc. (collectively referred to as "Riteway") from any and all liability arising from being subjected to the novel coronavirus as well as any and all liability for developing Covid-19 and agree not to bring any action or lawsuit against any of the above entities arising from the same.
